Senator Sherman wants to know "who will deny that the overbearing and intolerant will of the county of the Count wenders. The Survey of Lardville, on the Delaware Division, by which one man was killed. From what information could be gathered, it appears that the night express train No. 3, which left Jersey City on Friday night, ran into freight train, which was behind time. The platforms of both trains were broken up, and a brakeman was immed in between two freight cars, which required an hour and a half to separate them so as to remove the body of the Duchies, having been received by the Austrian Government, is unfounded.

On the 10th Count Wensdorf, dispatched a note to
